With age and fatigue, the contours of the face become heavier and less defined pronouncing the signs of ageing. Hydradermie Lift provides a 'Youth Revolution' by stimulating facial muscles to give them new tone & exert a lifting effect on your facial features. Reshapes, tones and firms the features minimising fine lines.

**Guinot Beaute Neuve Double Peel 1 hr** \$115.00  
**Course of four** \$420.00

The Beaute Neuve Double Peeling treatment is based on the use of fruit acids on the skin to provide a complete and gentle facial peeling ideal for anyone in need of a renewing treatment, especially for skin that is dull, lifeless, stressed, dehydrated, congested, oily or prone to blemishing.

**Guinot Liftosome** \$115.00  
**Package of 4** \$420.00

The Liftosome facial has been specifically developed to treat the problems associated with mature skins using a high concentration of vitamin C and proteins. The treatment will strengthen elasticity and firmness whilst stimulating cellular regeneration. The skin is instantly firmer, smoother and radiant.

Microdermabrasion is a process that deeply exfoliates, polishes and increases the lymphatic drainage of the skin. It uses a gentle vacuum to bring your skin into contact with a diamond-coated head that gently abrades the top layer of dead skin.

It can be used in the treatment of sunspots, pigmentation, acne. It is particularly good for comedonal acne/blackheads, acne scarring, fine lines, pores and dull skin.

You won't believe how soft and smooth your skin feels.
